logo

The logo for our brand is designed to portray high contrast and legibility while keeping a modern and lighthearted appeal, exactly how we see our brand. It may only be arranged into these specified orientations and colour modes.

horizontal

vertical

regular

inverse

grayscale

palette

Our colour palette combines soothing, natural forest greens with the warm excitement of summery yellow tones. These hues remind us of good times past and incredible days to come, which is so closely related to how we think about our food and meal indulgences.

juniper

#2d4031

sage

#546e52

canary

#fed53b

buttermilk

#fefad1

typography

The Anthony's Recipes brand displays a bold, cheeky, and playful typeface to showcase our vibrant and confident personality, combined with a more subtle and highly legible font to bring our egos back down to earth.

About Us

Anthony's Recipes was created to bring together passionate chefs and eager amateur cooks to create new dishes and wonderful meals to the world.

We love hearing from our fan base around the world on how they cook and serve their meals, then we use our creativity to add in our own ideas and twists to brand new and ages old recipes.
